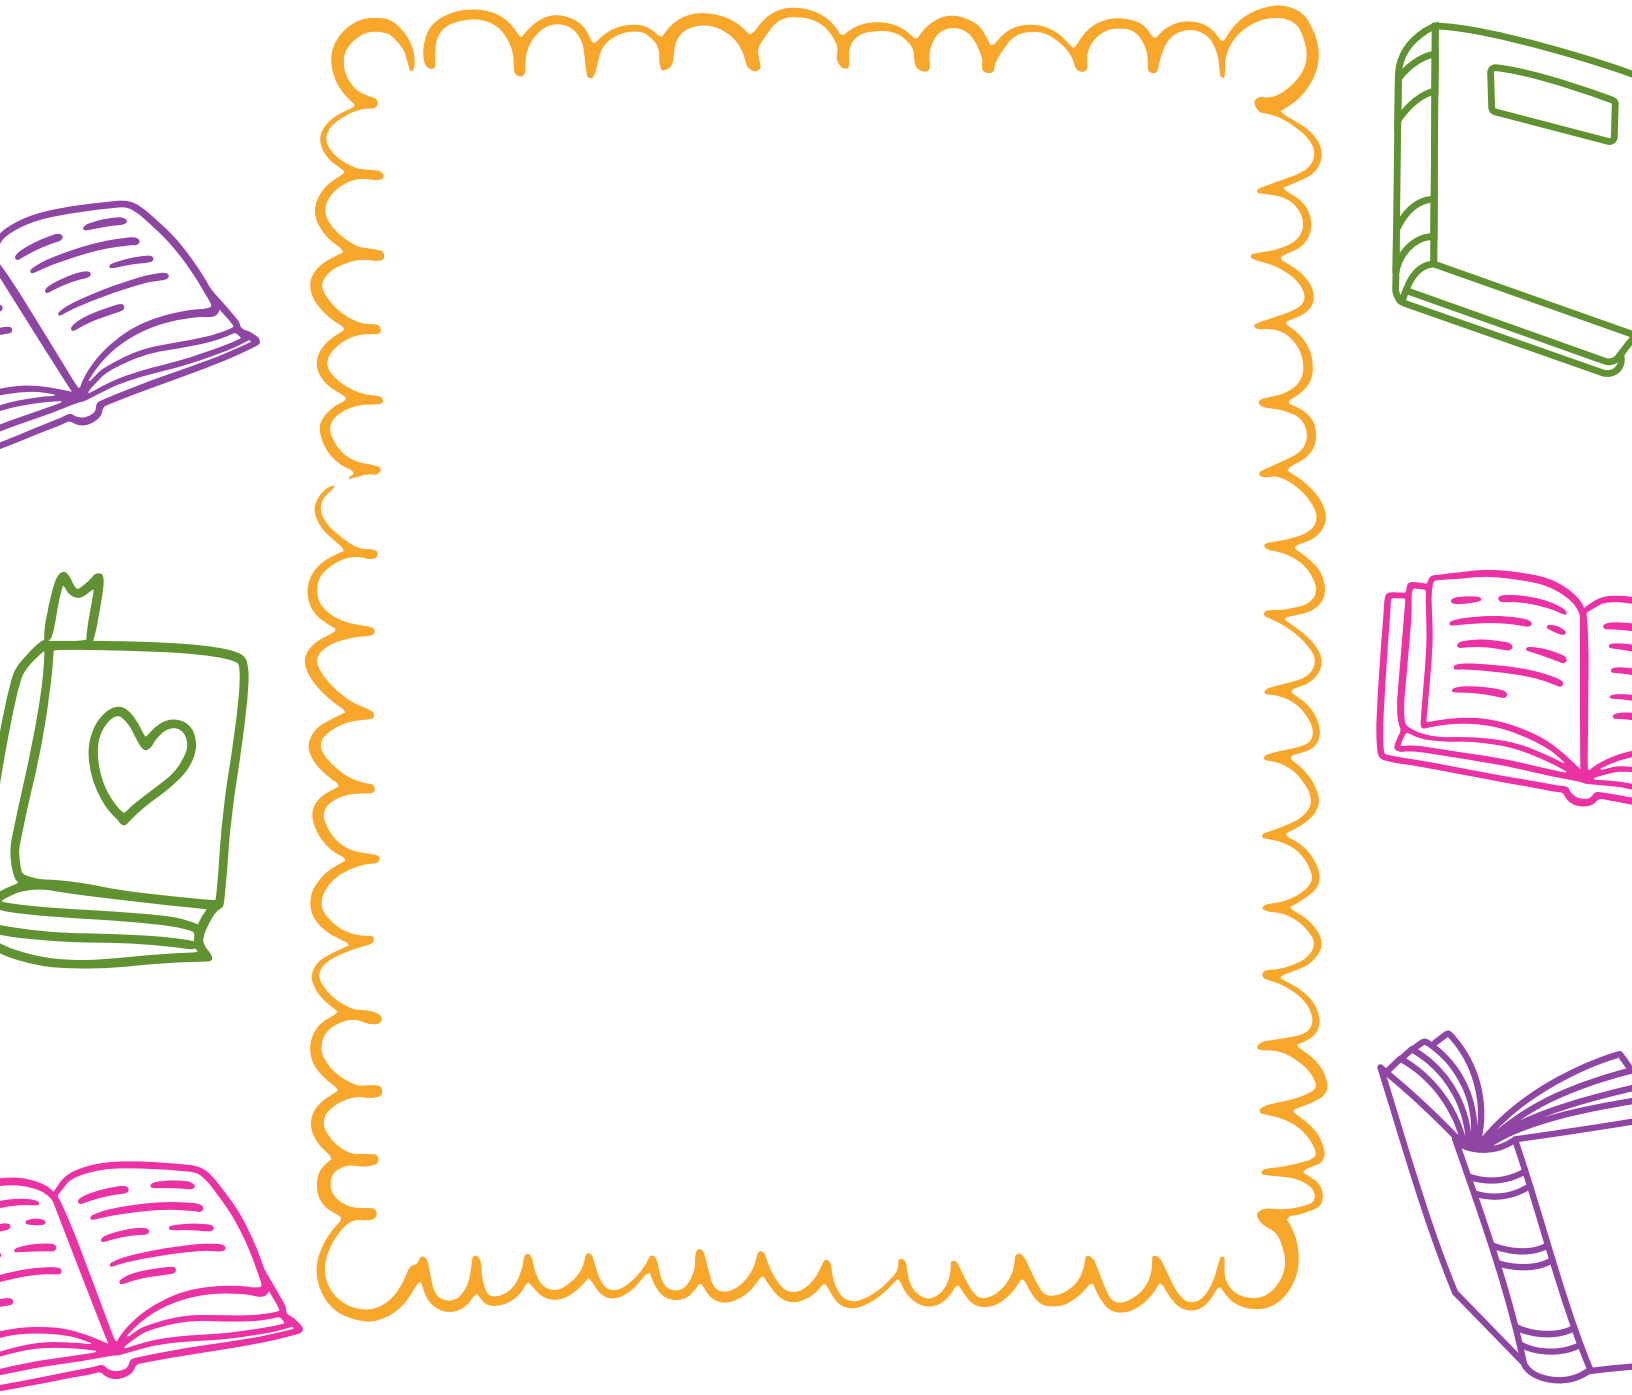
1000 Books Before Kindergarten

This log belongs to: _____

Draw yourself in the box below!



Dear Parents and Caregivers,

Congratulations on beginning the program with your child! It's never too early to start reading to your child. Reading to your baby, toddler, or preschooler can help them develop their language and listening skills, foster their imagination, expand their understanding of the world, and help prepare them for school. We hope you use this program to become active family readers and foster learning in your home!

-Tyler Public Library

P.S. You've got this!

How long does it take to complete the full program?

- Read 1 Book a Day:
  You'll finish in less than 3 years!
- Read 2 Books a Day:
  You'll finish in just over a year!
- Read 3 Books a Day:
  You'll finish in less than one year!

Reading & Logging

All books your child reads or is read to them count, whether at home, childcare, the library, etc., with parents, caregivers, siblings, relatives, teachers, and babysitters! Favorite books read over and over again, and audiobooks count too!

Read a book. Then, have your child color a square for each book on the paper reading log so they can see your family's progress!

Milestones & Rewards

For each 100 books read, your child may visit the library to receive their congratulatory sticker and place or move their name on the 1000 Books Before Kindergarten wall.

At 500 books read, your child will earn a free book. At 1000 books, your child will earn a free book and tote bag! Rewards can be picked up at the library's front desk. Show your reading log to library staff to redeem.

Questions

For assistance with the 1000 Books program, call the library's Youth Team at (903) 593-7323 or email programs@tylertexas.com.
